Thursday Night Extravaganza: Celebrating our GMC's

We will be having a "*GMCers "Have Talent"*" evening. Here are the details.

Put together a skit, a performance- in a group or solo and be prepared to entertain us with your talents and witticism. Here some ideas- do a GMC limerick; a skit; a musical performance; some storytelling; a rap song whatever you would like- skies the limit!! Only one thing is required- Incorporated into your performance must be some object representing a GMC- the funnier the better. Let those amazing creative juices flow. We know they are there!!! Organize your group, give it a name, prepare! If you wish to participate but don't have a group Judy will set up a "**No Names**" group for you to join. Your group can use background music instead of providing your own or decide not to have any at all (rap or story telling of some description).
