We are again planning a Coachless Winter Rally in Niagara Falls, Ontario. It will be on Tuesday March 28, 2023 departing Thursday March 30, 2023 after breakfast. Anyone wishing to come early on Monday March 27, 2023 is welcome. The package includes Breakfast at Coco's on Wednesday and Thursday, Dinner at Coco's on Tuesday, and dinner in the Skylon Tower Revolving Dining Room on Wednesday night.

The rates are: Double - \$482.26 CAD including tax and gratuities and Single - \$363.16 CAD, including tax and gratuities. A room rate for Monday, March 27 is \$102.83 including taxes.

Please call the Holiday Inn by the Falls, at 5339 Murray Street at 905-356-1333 to make your reservation, and speak to the front desk, telling them you are with the GMC Heritage Cruisers.

We are planning to go out to dinner with anyone arriving on Monday, March 27th. We will go to the Swiss Chalet again, unless many people vote to go to the Keg instead. Please let us know which you prefer. Along with our usual visits to Niagara on the Lake for lunch and the Premium Outlet Mall, we are planning to go to Niagara's Fury 4D Experience next door to our hotel. The cost is \$17.50 CAD. Also available is the Tunnel at Niagara Parks Power Station

It's a new exhibit that takes you down 180 ft, to a 2200 ft long tunnel to a viewing platform at the edge of the Niagara River to view the river and the Falls. Cost is \$28 CAD.

View from the Tunnel

We are also planning an Ugly Sweater, Shirt or Hat Contest. You don't have to model the said Ugly item, just bring it to the hotel. Prizes will be awarded after a fair and balanced vote of all present.

Also, if you have a curiosity, you think no one will recognize, bring it too, and we will guess what its use is.

Please email Lois and Fran at franlo@roadrunner.com when you've made your reservation and let them know your preference for Monday dinner, and if you'll be joining us at Niagara-on-the-Lake for lunch, Niagara's Fury, and Tunnel at Niagara Parks Power Station after Niagara's Fury.

Just a reminder, everyone attending this and all rallies, must be fully vaccinated.
