### **Things Nearby:**

**Erie Canal** <http://eriecanal.org/index.html> The Dankerts are about 4 miles from the Erie Canal; there is a gravel towpath along the canal that makes for a fine bike ride. We have gone from Brockport to the Genesee river. Very easy biking, no hills. There are a couple of bikes to loan and a truck to pick you up !

**Genesee Brew House Tour** <https://www.geneseebeer.com/brewhouse/tour/>  
Providing there is interest I will make the arrangement for a brewery tour. The brewery is downtown; about 25 minutes away.

**Directions:** The rally is at 151 Widger Road, Spencerport. (43.14243 \*N - 77.84621\*W) Hwy 104 or 31 is suggested versus I-90. Coming from the West, watch for Smokin Joe's. It's Indian gas that's alcohol free and tax free !!

**From the West:** On 104 take Rt 260 south to Rt 31, go east to Rt 36 south, left on Whittier Road, and then right on Widger Road. The house is 151 and brown. In the driveway, bear right and continue on back to the barn.

**From the East:** On 104 take Rt 259 south to Rt 169, go west to Widger Road, and then north to 151 Widger Road
