

GMC Heritage Cruisers Club Information

The GMC Heritage Cruisers, as a "Club", was first formed in the mid 1970's, as one of the dozen clubs sponsored by General Motors through the GMC Motorhome Owners Association. There are approximately 20 regional clubs across North America today. All members are owners of the Classic, and much sought after, GMC Motorhome. In its present form the GMC Heritage Cruisers was born again in June 1989 by 21 founding GMC Motorhome owners.

We have many coach member families, as we call ourselves - each owning a GMC Motorhome and participating in "GMCHC" activities held in an area, but not restricted to, of a 200-mile radius of Niagara Falls. That area includes parts of the states of New York, Ohio and Pennsylvania and of the Province of Ontario, truly international in scope and covering some of the most attractive and tourist-oriented parts of North America !! We have five or six social gatherings a year, called rallies.

We can be of help and assistance to you in enlarging your enjoyment of your GMC Motorhome. We can provide you with technical assistance or where to find it and put you in contact with qualified service and parts facilities. There is a vast array of motorhome services and GMC Motorhome owners throughout North America that offer to help others.

We enjoy the socializing, crafts, sharing of travel stories, comparing our coaches, and the exchange of ideas, inventions and technical prowess in the process of maintaining our classic "GMC s." So write, phone or email us at:
