

GMC Heritage Cruisers

Annual Mexico Coachless Rally January until end of March 2025

@ Bruce & Paula's home
Manzanillo, Mexico

Hosted by Bruce & Paula Hislop

We are inviting Heritage cruisers members to join us at our winter home in Manzanillo Mexico on the Pacific coast. Come for a few days or a couple of weeks. We have two spare bedrooms each with two double beds and one has a cheater on-suite bath. Each bedroom has a balcony with an ocean view.

We also have a third spare bedroom with king-size bed and en-suite bathroom with an ocean view (aka :”The Honeymoon Suite”)

Our home is approximately 6,000 square feet on 5 floors, 95 steps bottom to top, so it is not for the stair-adverse.

Each floor has a living room and the pool deck also has a covered and shaded “living room”.

We can pick you up at the Manzanillo International Airport (ZLO).

No cost to stay, just your air travel and food/drink/entertainment activities is your expense. Eat here or go out. Manzanillo has lots of restaurants.

We have a sandy beach below us that can be walked for about 5 kms. Other activities include local markets, shopping with the locals, ocean fishing excursions (sword fish, marlin, dorado), hiking, trips to local towns etc. Experience living in Mexico outside the Resorts.
